Description of problem with unit:

Please send unit complete with all electronic components and cables. Do not send tuning forks, brackets and cases if possible to avoid unnecessary shipping costs.

Send a partial unit if:

- 1) You call us and we advise you to send just a limited number of components such as an antenna, cable, display etc...
- 2) Send just the antenna and or antenna cable if it is known to be bad by trying it on both front and rear ports of the radar.
- 3) Send any single component if you are sure the problem is in that component, such as sending only a bad remote or display.
